The Home Energy Assistance Program (HEAP) provides assistance to income eligible households for heating costs.

- The HEAP application process includes an in-person or over-the-phone appointment and the submission of an application and required documents.
- The HEAP application process normally takes 2 to 8 weeks depending on how soon required documents are received.
- Benefit amount for eligible households varies depending on household size, income and other factors. Benefits are typically paid to your fuel provider as a credit to your account.
- Medical expenses paid out-of-pocket may be deducted from household income amount.
